NOTES TO PARENTS

Pupil-Teacher-Parent Conferences

At no time should you be in doubt of your child’s progress in school. PowerSchool provides weekly updates to your child’s progress throughout the school year. Additionally, you will be periodically notified of your child’s progress through report cards and warning slips. Carefully examine the report card at the end of the marking period. Notice if there are any failures or near failures and the reasons given for these. If you still have questions about failing grades, or feel that there has been a misunderstanding, please call the school for an appointment with either the teacher, counselor, or principal. Remember, grades are earned by the pupil, not given by the teacher.

Students who wish to talk with a teacher about any problem should request a conference at a time convenient to both during the day. If possible, an administrator or guidance counselor may be present for the meeting.

Parental Responsibility at Home

Good discipline originates in the home. The parents are the first teachers of their child and should develop in them good behavior habits and proper attitudes toward school.

Parents should:
1. Recognize that the teacher takes the place of the parent while the child is in school.
2. Teach the child respect for the law, authority, the rights of others, and for private and public property.
3. Arrange for prompt and regular school attendance and comply with attendance rules and procedures; if work is missed, it should be made up promptly and completely.
4. Work with the school in carrying out recommendations made in the best interests of the child, including discipline.
5. Talk with the child about school activities; show an active interest in his/her report cards and progress.

Some additional questions or concerns to be considered by parents are:

(1) Do you encourage your child to be enthusiastic about his/her school work?

(2) Outside social functions are to be encouraged, but not if they conflict with maximum achievement and success in school.

(3) Does your child schedule sufficient time for home study?

(4) Is there a suitable, quiet place to study at home, at a regularly scheduled time? Pencils, pen, paper, books, dictionary, ruler, etc. should be at hand.

(5) Do you have family agreements that are kept regarding the use of the cell phone, computer or TV?

(6) What time is your child in bed? On average, teenagers require nine hours of sleep per night.

(7) What do you suggest as a substitute when you’re told there is no homework? Consider:
   a. Reading - a continuous assignment for everyone, including magazines, newspapers, and books chosen for enjoyment.
   b. Reviewing - class notes, mathematical processes, grammar usage, spelling.
   c. Research - science or other long-term projects that have been assigned.

Your interest and support at home are important to your child and greatly appreciated by the teachers.
**ONLINE TOOLS**

**PowerSchool - Online Grading**

PowerSchool is a web-based student information system, providing real time access to data using a web browser (Safari, Firefox) on any computer platform. It is used to manage student enrollment, attendance, grading and reporting (local, state and federal reports).

There are three components:

- **PowerSchool Admin**: Administrative area where daily work and all information is entered. Access is restricted to essential administrative personnel.
- **PowerSchool Teacher**: A teacher area providing web-based access to their classes, student information, announcements, staff directory and limited grading ability.
- **PowerSchool Public (Parent and Student)**: An area providing web-based access to a student’s class information, attendance and grades, as well as announcements and e-mail notifications.

In addition, the teachers have PowerTeacher installed on their desktop computer. It is a standalone program that provides the ability to take attendance and keep a real-time electronic grade book. It syncs up with PowerSchool Admin, providing administrators and parents the instant access to a student’s grades.

All access is secured through a unique username and login password. In addition, there are access levels that have been enabled for the various users, providing security where necessary and mandated by state and federal law.

Parents will be assigned a unique login username and password, and a letter will be sent home explaining the parental access capabilities and how to access it. Students will also be assigned a unique username and password, and training will be provided to them at an appropriate time.

When a request for a forgotten login is received, a new login and password will be generated. We will not give out logins or passwords verbally over the phone.

**Schoology**

Schoology is a learning management system (LMS) that allows teachers and students to connect, communicate, and share easily with classmates and the instructor. It gives students and teachers a way to assess, turn in assignments, analyze data, discuss lessons and topics, and remind students of pending deadlines or important topics. Schoology is available online and also offered as a mobile app. [https://www.schoology.com](https://www.schoology.com)

**MySchoolBucks**

MySchoolBucks is a free system the school district is utilizing to make payments and buying lunch easier. This system allows you to check cafeteria balances and purchases, receive low balance alerts, set up automatic payments, and pay for school-related items. Currently MySchoolBucks is only being implemented in our cafeteria but with the hopes of expanding in the near future. MySchoolBucks is available free online and also offered as a mobile app. [https://www.myschoolbucks.com](https://www.myschoolbucks.com)

STUDENT RULES AND REGULATIONS

STUDENT RESPONSIBILITIES

(as adapted from the recommended guidelines for student rights and responsibilities for the State of Pennsylvania)

Student responsibilities include regular school attendance, conscientious effort in classroom work, and conformance to school rules and regulations. Most of all, students share with the administration, faculty and staff the responsibility to develop a safe environment that is conducive to wholesome learning and living with each member of the Jim Thorpe Area High School family.

No student has the right to interfere with the education of his fellow students. It is the responsibility of each student to respect the right of all who are involved in the educational process. Students should express their ideas and opinions in a respectful manner so as not to offend or slander others.

The student’s responsibilities are to:

1. Be aware of all rules and regulations for student behavior and conduct themselves in accordance with them.
2. Be willing to volunteer information in disciplinary cases and cooperate with school staff, should they have knowledge in relation to such cases.
3. Dress and groom themselves so as to meet fair standards of safety and health and common standards of decency.
4. Assume that until a rule is waived, altered or repealed, it is in full effect.
5. Assist the school staff in running a safe school for all students enrolled therein.
6. Be aware of and comply with state and local laws.
7. Exercise proper care when using public facilities and equipment.
8. Attend school daily, except when excused, and be on time for all classes and other school functions.
9. Make all necessary arrangements for making up work when absent from school.
10. Pursue and attempt to complete the course of study prescribed by state and local authorities.
11. Avoid inaccuracies in student newspapers or publications and refrain from indecent or obscene language.
12. Follow verbal directions given by adults in charge of the area, activity or event.

The previous list of students’ rights and responsibilities is required by the State Board of Education to be communicated to you. Please make yourself aware of your responsibility and duty, for it is only under your compliance to these obligations that the privileges or rights of students are granted - both by law and for the natural efficient operation of a complex institution.

When the rights of others to learn are infracted, or the orderly operation of the school is disrupted, it becomes necessary to deal with the problem-causing individual. It is for this purpose that the enclosed discipline policy, accomplished in conjunction with the representatives of the school family, has been affected. It is designed to provide you with all the due process of law which requires that you be informed and that the result process is fair.
STUDENT RIGHTS AND RESPONSIBILITIES

How many times have you said or have you heard someone say, “THAT’S MY RIGHT”? How often have you thought about your RESPONSIBILITY to maintain that right? Too often it is taken for granted that a “right” is something for which one must do nothing. Fortunately, those “rights” are privileges which are earned by the responsibility to uphold the rules and regulations designed to provide an orderly and wholesome atmosphere for the welfare of all students.

All Students Have The Right To Learn,
The Right To Feel Safe In School,
The Right To Be Respected,
The Right To Hear And Be Heard.

STUDENT PRIVILEGES

There are some scheduled and unscheduled student activities that students are allowed to select and participate in as a matter of personal choice. These activities are defined as privileges, and, as such, may be withdrawn as a result of certain disciplinary procedures. The following is a list of some of the privileges:

1. Use of the library during non-class time
2. Attendance at assemblies
3. Attendance at extra-curricular activities
4. Participation in extra-curricular events
5. Use of school transportation
6. Parking on school property
7. Early dismissal (seniors only)

GUIDES FOR LEARNING

2. Pay attention to what is being said and done in the class.
3. Be responsible for making up any work missed as the result of being tardy or absent from class.
4. Use a three-ring notebook, setting aside a separate section for each subject.
5. Take notes and participate in class discussion.
6. Review back notes and assignments.
7. Ask the teacher for help when it is needed.
8. Correct all errors on returned homework assignments and quiz papers; keep all work returned by the teacher.
9. Try to study at the same time each day.
10. Try to use as many senses as possible when trying to learn something (read it, write it, say it).

HOMEWORK HINTS

1. Make a study schedule & follow it.
2. Study in one particular place that is quiet and well-lighted.
3. Plan study periods, at school and at home, so that all needed materials are at hand.
4. Make an accurate record of each assignment and be certain it is understood.
5. Prepare each lesson daily. Begin preparation of long-term assignments immediately after they have been assigned.
6. Hand in assignments on time.
MAKE-UP WORK

A student who has been legally absent from school will be permitted to make up all homework and class work. It is the student’s responsibility to contact the teacher for scheduling make-up work. The student will have the same amount of days as the length of their absence to make up the work.

FIELD TRIPS AND ACTIVITY TRIPS

The Board of Education of the Jim Thorpe Area School District recognizes the educational value of field trips and activity trips. Students who are participating in any trip are expected to conform to all school policies. Students who fail to act accordingly may have this privilege revoked. To be eligible for a field trip or activity trip, a student must be passing a minimum of four credits and maintain good attendance; without truancies, 8 or more unexcused absences, or an accumulation of 20 or more absences.

CYBER-BULLYING

Harassment of a student through e-mail, internet web sites or other computer generated forms will result in disciplinary action within the school. This matter will then be turned over to the law enforcement agencies for prosecution.

PHOTOGRAPHY, VIDEO, OR AUDIO RECORDINGS

Any device used to take a picture, video or audio recording may not be used on school property in order to maintain student privacy unless given permission by school administration. If caught using an electronic device, the device will be confiscated and the contents reviewed with the parents. Appropriate discipline will follow.

MAKE-UP WORK

A student who has been legally absent from school will be permitted to make up all homework and class work. It is the student’s responsibility to contact the teacher for scheduling make-up work. The student will have the same amount of days as the length of their absence to make up the work.

COMPUTER AND INTERNET USE

In order to use the computers, students must abide by the acceptable use policy, which can be found in the section of the handbook titled computer and internet usage. Failure to do so can result in loss of computer and/ or internet privileges, as well as appropriate disciplinary action. Students will be assigned a user name and password which is not to be shared or used by anyone else. If appropriate, students will be assigned a school e-mail address. This is the only allowable e-mail address that may be used in school unless otherwise authorized.

Students are reminded that the use of the Internet is for educational purposes only and not entertainment. Any use of the computers or the Internet for purposes that do not fit within the missions of the district is a violation of policy.

STUDENT AFFECTION

It is not in good taste for Jim Thorpe students to show excessive affection for each other during school or at school activities. Kissing, embracing, or other inappropriate displays of affections will not be allowed.

Consequences:
1st offense - warning
2nd offense - 1 1/2 hour detention
**Any further offense will be at the discretion of the Principal or the Assistant Principal.
DANCE POLICY

Only students who regularly attend school at the building sponsoring the dance will be admitted. Students are required to present their student ID upon entering the dance. Students who leave the dance early may not return. All school rules apply and are in effect. Anyone suspected of being under the influence of alcohol or drugs will not be admitted to the activity and appropriate school discipline will be applied. The following students will be admitted to dances: High School Dances, grades 9-12 only; Junior High Dances, grades 7-8 only; Elementary Dances, grades 1-6 only. Sexually suggestive (grinding) dancing is prohibited. Any individual who has been put out of a dance will have their case reviewed by the school administrator to determine the student’s eligibility to attend future school activities. In the event that these guidelines are not followed, the sponsoring agency may be prohibited from using any district buildings for at least 60 days.

Guests from outside the Jim Thorpe Area High School are permitted at the homecoming dance, winter semiformal, as well as the prom. Guests must be pre-approved by the principal/designee. Student guests must secure a guest-host agreement form from the main office and get it signed by the guest’s principal/designee at least one week before the event. Guests must be in grade nine (9) or above and not to exceed twenty (20) years of age. Any guest not on the pre-approved list will not be permitted into the dance.

PROM DISMISSAL

All students who are attending the prom will be dismissed at 11:00 A.M. on the day of the prom. Please make all of your appointments after this time. Leaving school for appointments prior to 11:00 A.M. will result in an unexcused absence. An unexcused absence on the day of the prom will result in not being permitted into the prom.

STUDENT DISMISSAL PRECAUTIONS

The Board of Directors, seeks to safeguard students by requiring procedures for excusing students from attendance at school. The building principals are directed to develop and implement administrative procedures for dismissing students, subject to the approval of the Superintendent. It is understood that procedures may vary from school to school due to the differing ages of the students.

Students will be released only to parents, legal guardians, or other persons with a specifically authorized in writing by parents/guardians to pick up the student. A photo ID must be shown to school personnel before the student will be dismissed to the individual. If the building principal/designee has reason to question the authenticity of any written or verbal communication regarding the release of a student, the parents/guardians shall be contacted for confirmation. The building principal/designee has the authority to deny the release of students to unauthorized or unknown persons. Students who drive to school must present a note from a parent/guardian authorizing them to leave school at any time during the school day and must sign out at the school office.

A custodial parent/guardian who wishes the school to comply with provisions of a court order to restrict access to a child is responsible for providing a certified copy of such order to the school. In addition, administrative procedures concerning student dismissal shall incorporate the following components:

A. A procedure for dismissing students in the event of an emergency during the school day:

B. A procedure for dismissing students for illness and other reasons prior to the end of the school day;

C. A procedure for confirming the identity of parents/guardians and others authorized to pick up students prior to releasing students.
LEAVING THE SCHOOL BUILDING AND GROUNDS

Upon arrival on school property by bus, car or foot, students must enter the high school. Students are to remain inside the school building for the duration of the school day. Permission to leave school property may be granted only by the school principal. If a student leaves early without permission, he/she will receive an hour and one-half detention for each class that they missed. In addition, truancy papers will be filed.

PARKING PERMITS

All students who wish to drive to school must get a parking permit from the main office. In order to acquire a parking permit you must provide the office with a copy of your driver’s license and insurance card. A $5 fee will be enforced for all lost or destroyed parking permits. All permits must be displayed on the rear-view mirror of the car. Cars may be searched if there is a reasonable suspicion that contents in the vehicle constitute a threat to health, safety or welfare of the student(s) and/or occupants of the school grounds.

WORKING PAPERS

All students between the ages of 14 and 17 are required by Pennsylvania School Law to secure an Employment certificate, known as “Working Papers,” before they may begin to work. Students, who have reached 18, by state law, do not need working papers. Working papers are issued in the high school office.

The steps for obtaining working papers are as follows:
1. Parents or guardians must obtain an application from the high school office.
2. The parent must complete and sign the portions of the application form where indicated.
3. Upon the receipt of the completed application form and proof of age (birth certificate, baptismal certificate or passport), the student must sign the application in the presence of the issuing officer and the formal working papers will be issued.

PERFUMES, BODY SPRAYS AND MOUTHWASH

Students should avoid excessive use of perfumes and body sprays in the school building since other students may be sensitive to these scents and experience a negative reaction. Mouthwash should not be brought to school.

VISITORS

All visitors must report to the office and register as they enter and leave the building. To enter any of the District’s buildings beyond the office, you will need a valid state or federal issued ID such as a state issued driver’s license or a military ID card. This system scans a visitor’s ID and cross references it with a national sex offender database. If the scan is negative, a temporary sticker ID is issued. If the scan returns positive, no photo ID is printed and access to the building is denied.

Visitors must display their visitor’s pass at all times. Passes must be returned to the office before the visitor leaves. Visitors must enter and leave the building by the main entrance. Violators of this policy will be prosecuted for trespassing.
**COURTESY**

Courtesy is a “required course” for all students at Jim Thorpe Area High School. Each student is expected to show respect for both his/her teachers, paraprofessionals, custodians, secretaries, administrators and fellow students. This may be done in many ways such as saying: “Please”; “Thank you”; “Excuse me”; always knocking before entering a room where the door is closed; and refraining from laughing at another’s mistake.

An essential for success in life is good will toward others. Remember: Courtesy is contagious! The prime reason students attend school is to get an education. The Jim Thorpe Area High School faculty and staff work hard towards providing all of our students with a quality education. It is expected that our students work toward this goal. **At no time will willful disobedience be tolerated.**

**CLASSROOM ETIQUETTE**

All students must follow the following procedures:
- Students must be in class and seated by the time the late bell rings.
- Come prepared to work with books, paper, pencils, etc.
- Work quietly on assignments.
- Present passes to other rooms/areas to the teacher at the beginning of the period.
- Not ask to leave the classroom during a class except in emergencies.
- Understand the bell does not excuse the students; the teacher does. Students remain in their seats until the teacher dismisses them.
- Students will not be excused from classrooms to return to lockers for forgotten books, materials, etc.
- Students will have assigned seats to be used at all times.
- Students are not permitted to lean back on chairs or have feet on desks or chairs.
- Neither rudeness, nor disrespect in any fashion to teachers or fellow students will be tolerated.
- Students will not be permitted to sit on the heaters and window sills.
- Students are expected to follow the written and verbal directions of the adult in charge.
- Willful disobedience will not be tolerated.

**ASSEMBLY ETIQUETTE**

All students should:
1. Walk to and from the assembly in an orderly manner
2. Refrain from whistling, yelling, booing, talking, and other impolite verbal comments that are signs of disrespect. They show very poor manners and will not be tolerated.
3. Applaud at proper times.
4. Display proper conduct in assemblies. Students displaying improper conduct will be escorted from the assembly and be subject to disciplinary action.
5. There will be a study hall available for students who may not attend the assembly. Students who choose not to attend voluntary assemblies will report to the study hall with work to do. This will be a quiet study hall.

**CONCERT ETIQUETTE**

The Jim Thorpe Music Department strives to teach all students the rules of proper concert etiquette. We ask the adults also to observe these rules in order to set a good example for the students, assist in the educational process, and provide everyone with a positive concert experience.

Members of the audience should observe the following guidelines:

1. Out of respect for the performers, do not talk while anyone is performing.
2. Remain seated during the musical selection. Any necessary movement should occur between pieces.
3. Please do not distract the performers in any way. Please, no flash pictures during the performance.
4. Applause is appreciated at the end of a selection. Refrain from yelling or whistling.
LOCKERS

Each student will be assigned a locker for his or her use. **Students may not share lockers.** It is each student’s responsibility to see that the assigned locker is kept locked and in order at all times. It should be noted that lockers are school, not personal property and are subject to periodic, unannounced searches for reasons of safety and sanitation.

The School District is not responsible for any item taken from students’ lockers and strongly advises all students to keep their lockers locked.

All lockers, desks, and storage spaces are, and shall remain, the property of the school district. As such, students have no expectation of privacy.

All students should be aware that because school property (including lockers, desks, and storage spaces) is subject to search at any time, there is no reasonable expectation of privacy in school lockers, desks, or storage spaces. Accordingly, students shall not expect privacy regarding the items placed in school lockers, desks and/or storage spaces. School officials or their authorized agents may conduct random, periodic, or sweeping inspections or searches of all lockers, desks, and/or storage spaces without regard to any individualized suspicion. **Decals, stickers or tape are not to be used on the inside or outside of lockers. Lockers must be cleaned and emptied upon leaving for the school year, or report cards and/or diplomas will not be issued.**

VALUABLES

Do not leave money or other valuables in your locker. **Avoid bringing large sums of money or valuables to school; but, if it is necessary for you to do so, you do so at your own risk.** The Jim Thorpe Area School District is not responsible for any item lost or stolen from lockers.

LAPTOPS, BOOKS AND EQUIPMENT

Through the use of public tax money, the school district provides laptops, textbooks and other instructional materials for all students. When a student accepts these materials, they also accept the responsibility of properly caring for them and maintaining them.

Therefore, all misused, abused, damaged, or lost laptops, textbooks and other materials must be paid for and replaced immediately. These fines will be determined by the staff and paid in the office.

**Students not paying their fines will not receive their report card or diploma until all debts are satisfied. Marking period report cards will be held until the marking period debts are satisfied.**

LOST & FOUND

All lost and found articles (except money and other valuable items) will be deposited in a box in the office. Important items, such as money, jewelry, and textbooks should be given to the secretary in the office. If you lose something, check with the office staff. All items found will only be held for 2 weeks.
LUNCH PROGRAM

The lunch program is an important part of our educational system. It teaches students to recognize a well-balanced meal and gives them a great deal of nutrition. The cost of a meal will be announced prior to our first full day of school. Free and reduced lunch applications are available in the office upon request.

CAFETERIA

Because of the amount of time provided for lunch, students are not permitted to leave the school grounds. Lunch period is a closed period; no lunches may be brought in from a nearby store or eating establishment.

TELEPHONE

Parents should not text or place calls to their child during the school day. Students may not use their cell phones to text or make personal phone calls during the school day.

Permission must be secured by the student from the lunchroom proctor or classroom teacher in order to use the telephone in the main office. The telephone is provided for emergency calls only. Students should avoid having phone calls come for them in the main office, except in the case of emergency. No student will be called out of class for a phone call unless it is of an emergency nature. Important messages will be taken and delivered to the student by office personnel.

STUDENT DISCIPLINE

The Board of Directors of the Jim Thorpe Area School District recognizes the need for a safe and orderly environment that stimulates learning and the educational process. It is the desire of the Board to have such an atmosphere in the classrooms, schools, fields, buses, and other places, and at all events in which students of this district are involved.

The Board shall require each student of this district to adhere to the rules and regulations declared by the administration and to submit to such disciplinary measures as are appropriately assigned for infraction of those rules. The rules govern student conduct in school and during the time spent in travel to and from school. Such rules shall require that students:
1. Conform to reasonable standards of socially acceptable behavior.
2. Respect the rights and property of others.
3. Preserve the degree of order necessary to the educational program in which they are engaged.
4. Obey constituted authority and respond to those who hold that authority.
5. Keep your hands, feet, and possessions to yourself.

DETENTION POLICY

Detention will only be held on Saturdays. This detention will be a quiet study period. Detention will be from 9 AM to 12 PM. Students will not be permitted into detention after 9 AM on the school clock in the commons.

The student is required to make transportation arrangements to and from the Jim Thorpe Area High School in advance of the detention date. All school rules of the Jim Thorpe Area High School remain in effect during Saturday detention. Students should bring written and reading assignments sufficient for up to three hours. If a student misses a scheduled detention it will be reassigned for the next Saturday.

Failure to report to Saturday detention will result in the following penalties:
1st cut Reassign detention for the next weekend
2nd cut Reassign detention and a one day in-school suspension
3rd cut Reassign detention and a one day in-school suspension
4th cut Reassign detention and a one day out-of-school suspension
5th cut Reassign detention and two days out-of-school suspension
6th cut Recommendation to the Superintendent for Alternative Placement

Emergencies will be handled on an individual basis. Any illness must be accompanied by a doctor’s note in order to be excused. Missing detention because of work will not be an acceptable excuse.

SUSPENSION

Suspension is defined as: The student or students under suspension will spend a designated period of time at home or in-school with loss of all school privileges. Students who earn suspension are viewed as disruptive and, as disruptive students, will be referred to the proper authorities.

Any student suspended from school will not be allowed to participate in any extra-curricular activities or attend any school events after being notified of suspension. Students who have been suspended will have a number of days equal to the days that they were suspended to complete any make up work.

EXPULSION

If the Superintendent of Schools deems the discipline offense of great magnitude, he/she may refer the student in front of the Board of Education for expulsion. If a student is expelled by the Board, it will mean complete permanent exclusion from any and all schools in the Jim Thorpe Area School District.
END OF THE YEAR DISCIPLINE POLICY

Students who have not completed their detention or suspension obligations will not be permitted to take final examinations. Students will have three (3) school days from the last day of the year to complete detention or suspension obligations. Upon completion of these obligations, the student will be permitted to take his/her examinations. If a student refuses to make up detentions or suspensions within the required time limit, he/she will receive no credit in their respective courses and will repeat the school year.

BULLYING/CYBERBULLING

The Jim Thorpe Area School District Board of Education (Policy 249) is committed to providing a safe, positive learning environment for district students. Therefore, the Board prohibits bullying by district students.

Bullying means an intentional electronic, written, verbal or physical act or series of acts directed at another student or students, which occurs in a school setting that is severe, persistent or pervasive and has the effect of doing any of the following:

SCHOOL DRESS CODE

The Jim Thorpe Area School District is of the opinion that proper grooming and dress relates to healthy school attitudes and the best learning environment. Good grooming and dress are the responsibility of both the parent and the student. Proper attire is to be worn by all students; therefore, student dress should always be in good taste and appropriate for the business of learning.

Jim Thorpe Area School District’s concern for the health, safety, and well being of all students extends to student dress. We, therefore, offer these guidelines in a helpful way. Under State guidelines, schools have the responsibility to take action against improper dress which:

HARASSMENT, BULLYING, DISORDERLY CONDUCT, CRIMINAL MISCHIEF, & CRIMINAL TRESPASS

Any student found harassing, bullying, being disorderly, trespassing or being criminally mischievous will be suspended for 1-10 days of school. The definitions of these offenses can be found on the following pages.

While the student’s Rights and Responsibilities addresses discipline measures concerning student behavior, there are those situations where severe discipline problems involving harassment, criminal mischief, criminal trespass, disorderly conduct, and related offenses will be handled under the Pennsylvania Crimes Code, Title 81, Chapter 55, Sections 2709, 3304, and 5503, as well as other appropriate sections.

A decision on the involvement of the Jim Thorpe Area School District in the preferring of charges of harassment, sexual harassment, terroristic threats disorderly conduct, criminal mischief, or criminal trespass is to be made by the administration. The person who witnesses the incident will not be the person bringing the charges. However, all school personnel who are involved in any way will give their full support and the person who witnesses the incident will appear at the hearing.

Charges of harassment, disorderly conduct, criminal mischief, and criminal trespass may be brought against a student or any other individual whether on school property, at school-related functions, or on school buses.

The Jim Thorpe Area School District will utilize the Pennsylvania Criminal Code and Criminal Procedure through the local magistrate court system for infractions of the Jim Thorpe Area School District discipline policies when, in the opinion of the administration, this is the most effective procedure to remedy a problem, correct an unacceptable behavior or to recover costs incurred as a result of the policies. The initiation and continuation of criminal proceeding may take place in addition to disciplinary procedure and actions warranted by the Jim Thorpe Area School District Policy on Students Rights and Responsibilities. These procedures are applicable to problems involving students and/or visitors in the school buildings or on school grounds, students on buses, persons other than students who attempt to use school transportation improperly, and students attending school related functions.

OFFICE FORMS

Throughout the course of the school year, important forms are sent home to be filled out and returned immediately back to the school office. ### LEVEL 2

**Level II** acts of misbehavior are those whose frequency or seriousness tend to disrupt the learning environment of the school. These infractions, which include a continuation of Level I misconduct, require the intervention of administrators because use of Level I disciplinary options have failed to correct the situation.

The list of examples of misconducts and disciplinary options are meant to be illustrative and not complete.

CHEATING/PLAGIARISM

In concert with the District’s mission that all students will learn to be responsible, contributing citizens, students will be expected to develop and maintain a sense of academic integrity. That is, students will be expected to do and to submit their own work, not copy the work of others and submit it as their own. Instances of cheating/plagiarism will be dealt with by classroom teachers and school administration.

1. A **first offense** will result in a zero percent for the project/test and a three hour detention.
2. A **second offense** will result in a zero percent for the project/test and a two days in-school suspension.
3. A **third offense** will result in a due process hearing with the Superintendent. The discipline will be determined by the Superintendent.

TOYS/SAFETY HAZARDS

Problems arise each year because students bring articles which are hazardous to the safety of others or interfere in some way with school procedure. Such items are: **toy guns, water pistols, bean shooters, sling shots, hard balls, etc.** If brought as playthings, they are considered undesirable and will be impounded and returned to the student’s parents at their request. Parents are requested to help their children understand the necessity for such regulations. Appropriate student discipline will be administered by school administration.

FIDGET SPINNERS AND CUBES

With the surge in popularity of fidget spinners and fidget cubes, the district has come up with some guidelines to help utilize these to help preserve the true purpose.

1. Fidgets and cubes may be used during school.
2. Fidgets and cubes permitted in the classroom is up to the discretion of the teacher.
3. If a fidget or cube is distracting to the student, other students, or the teacher, the teacher has the right to ask them to put the fidget or cube away or to confiscate the item.
4. Refusal to obey teacher rules or requests regarding the fidgets and cubes may result in confiscation of the fidget or cube and/or disciplinary action.

School Wide Positive Behavior Intervention Support SWPBIS

School Wide Positive Behavior Intervention Support is currently being implemented within the district. Our mission at the high school is represented with the acronym TORCH: Teamwork, Organization, Responsibility, Choices, and Honor. SWPBIS is being implemented to show students and staff the importance of these traits. To help encourage our positive traits, we offer an incentive, a ticket drawing every marking period. Throughout the marking period teachers are given a limited number of tickets they are to hand out to students they see doing something positive for someone or for the school. The winners are by grade level, and a few students are chosen from every grade and receive a small prize; usually a gift card to a local establishment.
STUDENT HEALTH

Homebound Instruction

Physical Examinations
HEALTH SERVICES

Students who become ill during the day shall secure a pass from their teacher and report to the nurse. If the nurse is not in the building, the office staff will administer emergency care. When a student is ill and has the need of lavatory facilities, the student must use the facilities of the nurse’s office. Students who are ill may not leave the building without the nurse’s permission; they must be signed out by a parent or emergency contact unless other arrangements are agreed upon between the nurse and parent, such as permission to drive.

EMERGENCY INFORMATION FORMS

Emergency information forms are online for parents or guardians to download. These cards must be completed by the parents and returned to the student’s homeroom teacher immediately. Changes in telephone numbers, physical mailing addresses, employment phone numbers and employment addresses should be reported to the main office. Due to the extreme need to have these returned promptly, the administration will start to assign detention to students after two weeks if the forms are not returned.

MEDICINE

1. If a student must take medication during the school day, the parent must complete and sign an “authorization for medication during school hours” form found on the school website under Jim Thorpe Area High School, then go to health services and health documents or you can get a copy in the high school nurse’s office.
2. Any medication to be given in school must be accompanied by the medication form and/or notes from the student, parent/guardian and physician.
3. All medication must be brought to the school by a parent/guardian in the original prescription container.
4. Parents must bring it directly to the nurse’s office upon entering school.
5. Students are not permitted to possess any medications in school. If a student gets caught possessing medicine he/she will be disciplined accordingly.
6. Tylenol will be given to students only if a signed parental permission form is on file in the nurse’s office.

HOMEBOUND INSTRUCTION

When school-age children cannot attend school due to illness or other urgent reasons, the school may provide homebound instruction. The program of homebound instruction provides education both for the child who is out of school for long periods of time, and for the child who is temporarily incapacitated and who cannot presently be transported to school. The homebound instruction program is designed to give full recognition to each child’s specific needs. Homebound instruction consists of 3-5 hours per week in the home setting.

Please complete the following steps for requesting homebound instruction:

1. The parent should obtain a request for homebound instruction form from the high school main office or download the document from the school district website.
2. This form must be completed by the attending physician with the diagnosis, prognosis, and estimated length of time the student should remain at home.
3. The completed form must be returned to the high school main office for approval by the Board of Education. The need for homebound instruction will be reviewed every 3 months with the attending physician.
ACCIDENTS IN SCHOOL

All accidents which occur in school and while participating in extra-curricular activities, whether serious or not, must be reported to the school nurse so that an accident report can be filled out. The athletic trainer, coaches and advisors will be responsible for filling out accident reports for their extra-curricular activities. Copies of accident forms must be sent to the office.

PHYSICAL EXAMINATIONS (INTERSCHOLASTIC SPORTS)

All students who wish to participate in any interscholastic sport must have a physical examination before any practice session. Times and places convenient to participants are advertised in local papers when school is not in session (summer) and announcements are made during the school year. Scheduled school physicals are offered for a $5 fee. Physicals given by a student’s personal physician at the physician’s office are the responsibility of the student and the parent.

PHYSICAL EXAMINATIONS (11th Grade Students)

All juniors are required to have a physical examination. Physicals that are given in the high school are paid by the school district. Physicals given by a student’s personal physician or a physician other than the school physician are not reimbursable by the school district. Physicals administered to juniors for interscholastic sports fulfill the requirement of physicals for juniors. Selected students in other grades may need a physical examination recorded in their health file.

MANDATED SCREENINGS

Each year, all students will have a height and weight recorded for their health record as well as a vision screening. Eleventh grade and selected other students will be given a hearing screening. Parents will be sent a corrective advice notice for failures of screening.

PARENT ILLNESS CONTACT

If a child is sick, the nurse will attempt to call home to contact the parent/guardian. Students who do not go to the nurse and use their cell phone to contact the parent/guardian when they are “sick” will be issued disciplinary action. The first offense will be a warning and the second offense will be a detention.

IMMUNIZATION REQUIREMENTS

The 2018/2019 school year, Pennsylvania school immunization requirements include the following vaccines:
4 doses of tetanus, diphtheria and acellular pertussis, (1 dose on or after 4th birthday)
4 doses of polio, (1 dose on or after the 4th birthday and six months after the last dose)
2 doses of measles, mumps, rubella (MMR)
3 doses of Hepatitis B
2 doses of varicella (chicken pox) vaccine
ATTENDANCE

Excused Absence (Note Policy)

Unexcused Absence

Tardiness

Unexcused Tardies

Truancy

Late for Class

Early Dismissal

Late Arrival (Seniors Only)
ATTENDANCE

Attendance shall be required of all students enrolled in the school during the days and hours that the school is in session, except that a principal or teacher may excuse a student for temporary absences when he/she receives satisfactory evidence of such mental, physical, or other urgent conditions which may reasonably cause the student’s absence.

It should be noted, credit for the year may be withdrawn when a student acquires absences totaling twenty (20) or more days unless these are extenuating circumstances.

District-wide guidelines for attendance
• Students arriving after 7:50 AM but before 10:30 AM are considered tardy.
• Students arriving after 10:30 AM but before 12:30 PM are considered AM absence.
• Students arriving after 12:30 PM will be considered a full day absence.
• Students leaving before 12:30 PM will be considered a PM absence.
• Students arriving after 10:30 AM will be ineligible to participate in any extracurricular activity on that day unless there is documentation that is handed into the office showing their presence at an approved appointment.

ABSENCE

As soon as a student returns to school after any absence, he/she should return an excuse card, note, or doctor’s statement to the office. This excuse card or note is to be completed by a parent indicating the reason for the absence and is to be signed by the parent. It is to be returned within THREE DAYS of the student’s return to school or the absence will be considered unexcused. If a student is out for three or more consecutive days, there MUST be a Doctor’s certificate handed in, not a parent note, in order for the days to be excused. Once a student accrues fifteen (15) days of absence, a Doctor’s certificate must be handed in for each day of absence thereafter, a parent’s note will cause the days to be considered unexcused. Administration has the option to call and verify doctor’s notes.

In case of truancy and/or forged excuses, the absence will be unexcused and the parent will be notified and the detention policy will be enforced.

Parents and students can be fined following their child’s third day of unexcused or illegal absence from school, and they are therefore urged to send an excuse with the student on the day following the student absence. Students subjected to truancy fines can lose their driver’s license for a period of time.

Parents may receive calls from our School Messenger system to make you aware that your child is absent from school.

UNLAWFUL ABSENCE

After three unlawful absences, the school authorities are required by law to notify the parent of such unlawful absences and to prosecute the parent or guardian. The State Department of Public Instruction has ruled:

Absences to be marked excused: (Abuse of these excuses will not be tolerated)
• Illness or quarantine
• Death in family
• Impassable roads or severely inclement weather
• Emergency at home
• Educational trips previously approved
• College interviews or visits previously approved
• Job interviews previously approved
• Medical or dental appointments
• Driver’s license test by appointment with PENNDOT
• Participation in program previously approved
• Official religious holidays
TARDINESS

Students not in first period by the designated time, on the official time schedule, will be considered tardy. Students who arrive after the official start of school are to report to the main office before going to class.

1. Students are to submit a signed excuse to the office from the parent or guardian for tardiness.
2. Students will be given an “Admit to Class” slip when tardiness occurs.
3. No student will be admitted to class without an “Admit to Class” slip.

Students entering school after 10:30 a.m. will be considered absent for one-half day. Students who are chronically late for school will be refused admittance to their first period class. After twenty (20) tardies the administration has the authority to remove students from any class and deny credit.

UNEXCUSED TARDIES

Tardiness to school will be recorded as unexcused under the following circumstances:
1. If no excuse is submitted on the day of the tardy.
2. If the tardy excuse is not signed by a parent.
3. If the reason for being tardy is not indicated.
4. If the reason for tardiness is recognized as habitual (i.e., car problems, family emergencies, overslept, etc.).
5. Students will receive detention the third time they are tardy within a marking period.
6. After 10 tardies, a doctor’s certificate will be required for tardiness due to illness. Additionally, a lunch detention will be assigned for every day after 10 tardies. This will occur on the day of tardiness.
7. After leaving school 15 times due to illness, a doctor’s certificate will be required for the absence to be excused.
8. If a forged note is handed to attendance office.

TRUANCY

Truancy is an unexcused absence from school. Truancy is against the law; being truant from school is an unlawful absence. The student will not have an opportunity to make-up class work or tests missed through truancy. A grade of zero will be given for class work and tests scheduled on the day of truancy.

Students who are truant will be required to spend 1 hour and 30 minutes in detention for each scheduled class that they have missed because of truancy. Students who are found to be truant on more than 2 occasions will be referred to the Superintendent of Schools.

Students and/or parents of students who are in violation of compulsory attendance laws will be prosecuted under Section 1326 (pertaining to students) and/or Section 1333 (pertaining to parents) of the Pennsylvania School Code. Truancy elimination plans will be designed for students with habitual absences. The truancy officer will plan a meeting with parents to design the plan.

UNLAWFUL ABSENCE

Absences to be marked unexcused and/or unlawful:
- Absent through parental neglect
- Missed bus or car problems
- Overslept
- Hunting or fishing
- Shopping or visiting hairdresser
- Working (except in emergency)
- Truancy or playing hooky
- Unauthorized trip, vacation, or visit
- Forged parent/guardian notes.

FORGED NOTES

If a student is believed to have forged a parent note or signature, the note will become void. On the first offense, parents will be asked for verbal confirmation. If more than one offense occurs, parents will then have to physically come into the school and drop off a note or sign any needed paperwork. The student will also receive a detention for each offense.
CUTTING CLASS

Any student that skips their assigned class without permission from the teacher will be considered cutting class. Any student that goes to the bathroom for a period when they are sick and not to the Nurse’s Office is considered skipping class. If a student cuts class, they will receive a 1 1/2 hour detention for each class skipped. In addition, the student will get a zero for all missed work.

LATE FOR CLASS

Ample time is provided for students to get from one class to another. When a student is late for a class and does not have a late pass, the teacher will admit the student to class, but will record the name, date, and number of minutes late. When a student is late for the same class three times in a marking period, the teacher will fill out a disciplinary referral and send the student to the office. In addition, every tardiness after the third will result in a detention. Continual lateness for class could result in more severe punishment as deemed necessary by the administration.

PERFECT ATTENDANCE

Perfect attendance is given to students who were not absent during any part of the school day. In order to be recognized for perfect attendance, a student must be on time each day and remain in school until dismissal. Exceptions: college visits and school sponsored field trips.

EDUCATIONAL TRAVEL

Vacations taken during the school year are discouraged for academic reasons. Absences for this reason will require prior approval by the principal. An educational trip request form, obtained through office personnel must be completed and submitted to the principal at least one week in advance. Teachers will not prepare assignments prior to a family trip. It is the responsibility of the parent and student to gather missed assignments upon return and contact the teacher for any other work.

Trips taken without prior approval will be documented as unexcused/unlawful absence. In these cases, assignments and make-up work are at the discretion of the teacher. Absence beyond the requested trip dates will also be regarded as unlawful. Our school calendar is provided so that parents may plan family vacations around scheduled school holidays. Students with poor grades and/or attendance records will not receive approval.

SPECIAL EARLY DISMISSAL PERMIT

When a parent wishes to have a student dismissed from school before the regular time for special or urgent reasons, they should send a written request for such early dismissal. The request should be presented at the office immediately upon arriving at school in the morning. Upon return to school, proof of the appointment must be submitted. This policy is also in effect for students 18 years of age or older. If the parent requests the student to walk to the appointment, it must be on the written permission form.

Students must have a special excuse slip from the office before a teacher may permit them to be excused from class. The special excuse slip must be signed by the teacher whose class they will be leaving. This slip must be returned to the office before leaving the building. Any parent/guardian picking up their child must enter the main office and sign the dismissal slip.

SPECIAL LATE ARRIVAL (Seniors only)

If your schedule allows you to come to school late, you are eligible for late arrival. Please get a late arrival form from the main office and read the rules and regulations and complete the bottom portion of this sheet. Return the form to your guidance counselor in the guidance office as soon as possible, since you may not begin the late arrival until the form is turned in and approved.
TRANSPORTATION

Transportation Guidelines

Student Responsibilities

Bus Discipline
TRANSPORTATION GUIDELINES

Don't lose your bus riding privileges.

The Jim Thorpe Area School District takes seriously its responsibility to provide safe transportation for students. Parents must reinforce with their children the need to obey rules. In view of the fact that the school bus is an extension of the classroom, the School Board of Directors shall require children to conduct themselves on the bus in a manner consistent with the established standards for classroom behavior. Failure to comply with any of the rules may result in the student being suspended from the bus for a period of time, depending on the seriousness of the problem. Continued refusal to comply may result in permanent loss of privileges. Riding the school bus is a privilege and not a right.

In the case of any bus suspension, parents are responsible for finding a way to transport their child. Absence from school due to bus suspension will be considered an unexcused absence.

VIDEO AND AUDIO TAPING ON BUSES

The Jim Thorpe Area School Board authorizes the use of video/audio cameras on any or all school buses contracted by the District to promote safety, to prevent vandalism, to monitor bus drivers, to identify disruptive students and to document the activity of riders during their transportation to and from school and school activities. Video and audio will be utilized by district administration to discipline disruptive passengers on the school bus.

DISTRICT SCHOOL BUS REGULATIONS

Students will be permitted only to ride their assigned bus and they must get off of the bus at their designated stop. Only in an emergency will a student be transported on another bus or from an alternate stop. If your child, due to an emergency, needs to be transported to or from another bus stop, on a bus other than their regularly assigned bus, you must contact the school office in writing. Telephone requests for transfer will not be accepted. An authorized transfer slip will be issued from the office.

Drivers are not permitted to accept anything but the approved authorization form. Students who attempt to board buses without authorization will not be permitted to do so. Because many of our buses are at or near capacity in the number of students being transported, there may be times when we will not be able to honor a valid request. If this should occur, you will be notified by the school office.

STUDENT RESPONSIBILITIES AT THE BUS STOP

1. Students should report to the bus stop 10 minutes before the scheduled pick-up time.
2. Respect the rights of property owners in the area of the bus stop.
3. Form a single line when the bus is approaching. There shall be no pushing, shoving, or horse playing at any time.
4. Parents are responsible for the behavior of their children before the bus arrives and when they depart. Once the child boards the bus, and only at that time, does he/she become the responsibility of the school district.
5. Students shall remain seated until the bus comes to a complete stop.
6. All students will be assigned a seat by the driver, and they will obey the seating instructions.
STUDENT RESPONSIBILITIES ON THE BUS

All students being transported by the Jim Thorpe Area School District shall not:
1. Use or carry any kind of tobacco products, nor eat or drink on the bus.
2. Engage in scuffling, fighting, or creating a disturbance.
3. Use the emergency exit for any other purpose than an emergency.
4. Tamper with the bus or damage any equipment.
5. Regulate the windows without driver permission.
6. Extend any part of their bodies out the window.
7. Stand or walk while the bus is in motion.

TRANSPORTATION DISCIPLINE PLAN

Every time a student violates a bus rule raises the chance the driver is distracted. Every time the driver is distracted raises the chance of an accident happening. Therefore, every time a student violates a bus rule, he or she directly raises the chance of the bus being in an accident!

PROGRESSIVE DISCIPLINE PLAN

The driver will issue students who choose to misbehave a bus discipline referral. The specific infraction will be listed. The report will then be turned over to the building principal or designee for disciplinary action. The discipline steps listed below are the ones normally followed to correct inappropriate behavior.

Note: If a student is suspended from the bus, his/her parents are required to provide his/her transportation to and from school during the entire period of suspension. Bus suspensions will build toward the student’s suspension sequence. Students who are absent from school, as a result of the bus suspension will be considered illegally absent.

MINOR DISRUPTIVE BEHAVIOR

For minor disruptive behavior such as legs in aisle, sitting incorrectly in the seat, eating or drinking on the bus, noise distractions, or other inappropriate and distracting behavior, the following actions will be taken:

First Offense
Verbal warning by the driver.

Second Offense
The driver will fill out and give a bus misconduct referral to the principal or designee. The driver may place the student in an assigned seat for a minimum of three (3) days up to the remainder of the year. Bus drivers have the authority to assign seats to any and all students for any length of time for any reason. The principal or designee, notifying the parent of the driver’s action and student behavior problems, will make parent contact. Disciplinary actions may include a one (1) to three (3) day bus suspension.

Third Offense
The driver will fill out and give a bus misconduct referral to the principal or designee.

The principal or designee will notify the parent and conference with the student at school. Disciplinary actions may include bus suspension for three (3) to five (5) days or other appropriate disciplinary actions. Parents will be notified of all bus suspensions.
**Fourth Offense**

The driver will fill out and give a bus misconduct referral to the principal or designee. The above procedures will be followed with disciplinary actions that may include a five (5) day to ten (10) day bus suspension. Parents will be notified of all bus suspensions.

**Fifth Offense**

A recommendation for the termination of bus-riding privileges may be made to the parent and school. Parents will be notified of all bus suspensions.

**MAJOR BEHAVIOR PROBLEMS**

Fighting, bullying, vandalism, throwing objects in the bus or out of the bus windows, profanity or obscene gestures, disrespect toward the driver or other students, and any other distractions or disruptions to a driver may result in bus suspension or termination.

1. Littering or spitting on the bus.
2. Moving from seat to seat or standing while the bus is in motion.
3. Failure to comply with the reasonable request of the driver.
4. Abusive language/gestures to others.

***Note:***

CREDIT RECOVERY and CREDIT AMENDMENT POLICY

Final Grade Requirements for eligibility:

- 60-69 – Automatically eligible for credit recovery
- 59 and below – Must retake the entire course

Definitions:

Credit Recovery- is for students that have failed a course and by meeting the eligibility requirements may recover the course credit through an approved recovery program by earning a passing grade of 70%.
- 60-69 – Automatically eligible for credit recovery

Credit Amendment- is for students who either were, ineligible for credit recovery or need to earn course credit(s) to realign their credits to meet Jim Thorpe Area High School graduation requirements.
- 59 and below – Must retake the entire course

Credit Recovery/Amendment Guidelines:

Credit recovery courses will only be accepted through Pennsylvania Department of Education approved programs or through an approved private tutor.

Students must take a corresponding course and will receive a 70% if passed. The Jim Thorpe Area High School grading scale will be used to determine pass/fail for all recovery courses. If amending a credit, the grade earned is what will appear on the transcript.

If there is no corresponding course for the class that was failed, the student is not eligible to take a recovery course and must make it up the following year.

If a student is ineligible for credit recovery and would like to make up the course during the summer, this can be done through 120 hours of private tutoring, e-Bridge Academy, or at CCTI. See school counselor for details.

COLLEGE COURSES/DUAL ENROLLMENT CLASSES

Jim Thorpe students are allowed to take Lehigh Carbon Community College (Jim Thorpe Campus) dual enrollment courses while enrolled at JTAHS. These courses may be substituted for courses required for graduation. Depending upon the class, either adjunct professors from the colleges or JTASD staff will teach the different classes. The guidance counselors must approve the scheduling of college courses prior to admission. Approval will be based upon prior grades and previous years attendance. Any and all expenses (tuition & books) are the responsibility of the student.
THORPE ASSISTANCE PROGRAM (TAP)

TAP is a state mandated program in which the goal is to assist in removing any barrier preventing a student from succeeding in school. Barriers include but are not limited to: emotional, behavioral, social, lifestyle choices, mental health, academic, substance abuse and attendance. The TAP team is made up of teachers, counselors, administrators, a community liaison and the school nurse. Teachers, school staff, community members, parent/guardians, or peers may make confidential TAP referrals. These referrals may be submitted to a TAP team member. The team reviews all referrals to determine if an intervention is warranted. If an intervention is necessary the parent/guardian will be contacted. Parent communication and involvement in the TAP process is the key to helping students overcome obstacles.

TRANSFER STUDENT POLICY

Students transferring to JTASD after the last day of classes in June 2016 will no longer have their grades from previous high school(s) included in their JTASD cumulative GPA or count in their school ranking. Furthermore, beginning in 2017, in order to qualify as Valedictorian or Salutatorian, a JTASD student must attend the Jim Thorpe Area High School for a minimum of two (2) years.

TRANSFERS OR WITHDRAWALS

Students moving from the area should report this information to the office a few days in advance of the time leaving. The name of the new school to be attended should also be reported at this time. The health and dental records, grades, and permanent record information will be mailed to the new school after all materials are returned and debts are paid.

TRANSCRIPT REQUEST THROUGH PARCHMENT.COM

Parchment is a secure website that allows for students to request and track their transcripts being sent to colleges/universities and other college affiliated programs such as the NCAA and the Common Application. Students must create an account before their senior year using the registration codes that are emailed by the school counselors. Students will be able to request their transcripts be sent to the schools they have applied to once they create an account. Jim Thorpe Area High School DOES NOT charge current students to send their transcripts. If you are asked at any time to pay a fee when requesting transcripts through Parchment, please cancel the destination and fill out a paper request.

Jim Thorpe Area High School administers the PSAT, ACT and various AP examinations. SAT’s are not administered at the Jim Thorpe High School, however applications and information on where to take them may be obtained from the guidance office. Consult with your school counselor to help you interpret the results of any tests.

KEYSTONE EXAMS

The Keystone Exams are one component of Pennsylvania’s new system of high school graduation requirements that replaced the eleventh grade PSSA’s. Keystone Exams will help school districts guide students toward meeting state standards. The Keystone Exams are end-of-course assessments designed to assess proficiency in the subject areas of Algebra I, Literature, and Biology. Students must score Proficient in all three content areas in order to graduate. Students not scoring Proficient on a Keystone exam by the end of eleventh grade will be required to complete a JTAHS Keystone remediation class or a Pennsylvania Department of Education project-based assessment during twelfth grade.

SPECIAL EDUCATION

Identification Procedures
The Jim Thorpe Area School District believes that every child should be given an educational program that will permit him/her to be as independent as possible and to be a contributing member of adult society. Teachers and parents who feel a child is exceptional and in need of a special program can request an evaluation. A parent request should be submitted in writing to the guidance counselor, principal, or school psychologist. Evaluations are completed throughout the year in every school in the district. If the child is found to be exceptional and eligible, an individual educational plan based on the child’s needs is developed by a team which includes professional staff and parents.

Services and Programs
The Jim Thorpe Area School District operates Learning Support Classes in every building for children whose primary need is support in the academic areas of reading and math. The district also operates other special education programs, which include life skills, emotional support, speech and language support. Additionally, specialized programs in approved private settings for exceptional students are available when deemed appropriate. Carbon-Lehigh Intermediate Unit #21, in cooperation with the school district, provides support for hearing, blind or visually impaired, multi-handicapped, autistic, physical support, and preschool classes.

Confidentiality
Confidentiality is maintained on all personally identifiable information regarding students. Parents have the right to see and/or obtain a copy of their child’s records. Information on these policies, procedures, and programs is available from the guidance counselor.

EQUAL RIGHTS & OPPORTUNITIES

As an Equal Rights and Opportunities Agency, it does not discriminate against individuals or groups because of race, color, national origin, religion, sex, age or non-relevant handicaps and disabilities as defined by law. The Jim Thorpe Area School District’s commitment to nondiscrimination extends to students, prospective employees, and the community.

For information regarding civil rights or grievance procedures, contact Mrs. Lauren Kovac, Title IX and Section 504 Coordinator at the Jim Thorpe Area District at (570) 325-3691. Information regarding the hearing procedures will be provided to the parent or eligible student with this notification.

PREPARTICIPATION PHYSICAL EVALUATION

You are eligible only if you have participated in a pre-participation physical evaluation performed by a licensed physician of medicine or osteopathic medicine, a physician assistant certified, a certified registered nurse practitioner, or a school nurse practitioner before your first sports season’s first practice day of that school year. Before each subsequent sports season’s first practice day of that same school year, you must be reevaluated or certified that your condition is satisfactory before you commence to practice for the sport.

Wrestlers must also obtain from the physician, physician assistant certified, registered nurse practitioner, or school nurse practitioner, prior to the first practice day, a certification of the minimum weight classification at which they may wrestle for the entire season.

In all cases, the medical examiner must have signed the P.I.A.A. Medical Examiner’s Certificate.

ACADEMIC AND CURRICULAR REQUIREMENTS

1. You must pursue a curriculum defined and approved by your principal as a full-time curriculum.
2. You must be passing at least four full-credit subjects or the equivalent as of each Friday during a grading period. If you fail to meet this requirement, you will lose your eligibility from the immediately following Sunday through Saturday immediately following the next Friday.
3. You must have passed at least four full-credit subjects or the equivalent during the previous grading period, except, that eligibility for the first grading period is based on your final grades for the preceding school year. If you fail to meet this requirement; you will lose your eligibility for the first 15 school days of the next grading period. The suspension will start on the day that report cards are issued.
4. Students must make up any work missed when dismissed early for an athletic event. You are responsible for all work. If work is not made up or you are failing that class, you may be required to remain in class and miss athletic events that require early dismissal.

CONDUCT AT ATHLETIC EVENTS

• Remember that you are at a contest to support and cheer for your team and enjoy the competition; not to intimidate or ridicule the other team and its fans.
• A ticket is a privilege to observe the contest, not a license to verbally assault others and be generally obnoxious.
• Show respect for the opposing players, coaches and spectators.
• Disrespectful or derogatory cheers, chants, songs, gestures and the use of profanity are unacceptable.
• Respect the integrity and judgment of the contest officials. Criticizing officials in any way will not be tolerated.
• Use only those cheers that support and uplift the teams involved.
• Be a positive role model through your own actions and by censuring those around you whose behavior is unbecoming.

Any student who engages in unacceptable behavior is subject to ejection from the game and/or detention/suspension, and will be banned from future athletic events. Athletic contests are school-sponsored events so appropriate school conduct does apply.
STUDENT SEATING AT ATHLETIC EVENTS

Fall Sports (Volleyball)
- Students must sit in the small bleachers in the area closest to the commons.

Winter sports (Basketball)
- Students must sit in the sections of the big bleachers behind the home team.

SPORTS AWARDS

Letters - The first time an athlete meets the requirements for a letter he/she shall receive the appropriate chenille letter for the level of competition. When athletes again meet the requirements after receiving their varsity letter, they will then receive a letterman pin.

Blanket Awards - an athlete will receive a blanket when he/she receives 30 athletic points and must receive one varsity letter.

EQUIPMENT

All equipment purchased by the Jim Thorpe Area School District is property of the district. All equipment must be returned. Athletes will be billed for any missing equipment. The athlete will not be eligible to participate in other sports until the bill is paid or equipment is returned.

ATHLETIC CODE OF CONDUCT

Please read carefully!

Because athletics is considered an extension of the school day/program, the Jim Thorpe Area School District Athletic Code of Conduct applies to all athletes while participating in any and all phases of the athletic program, before, during, and after school hours, while in competition or practice, and all activities associated thereof.

Athletes are considered ambassadors of good will and are expected to demonstrate exemplary behavior on and off the court or field. It is expected that athletes will carry the tradition of Jim Thorpe Area School District with pride and dignity. Athletics is a privilege and thus is governed by rules and regulations of the Athletic Code of Conduct.

Any violation of rules/regulations of the school disciplinary code, the Pennsylvania Crimes Code, or the athletic code, will result in disciplinary action.

Those rules include, but are not limited to, the following:

A. Illegal/unauthorized substances

Any athlete who is found possessing and/or using illegal or unauthorized substance (such as alcohol, tobacco, or marijuana) will be removed from that team for the balance of that sport’s season to include at least 30 calendar days. Should the incident occur at the end of one season, the remaining suspension will be applied to the next season of participation. This includes practice and games.

Illegal/unauthorized substances -Second offense-

Suspended for the balance of the school year to include at least the next sports season and review by the Athletic Committee. Consistency, fairness, and the extent of the discipline shall be reviewed by the Athletic Committee and recommendation made to the Athletic Director.
B. Suspension
Any athlete who is suspended from school (in-school, out of school) while participating on an athletic team, will not be allowed to play in any scheduled contests during the suspension. Suspensions begin and end with the regular school day. A two-day suspension, for example, issued during the day on Tuesday, begins at the end of the school day on Tuesday and ends at the beginning of the school day on Friday.

C. Attendance
1. In order for a student to be eligible to participate in any extracurricular activity, they must have arrived at school within two and one-half hours of the scheduled start time for school that day.
2. If you are absent from school during a semester for a total of 20 or more school days, you will lose your eligibility until you have been in attendance for a total of 60 school days following your 20th day of absence.

D. Sportsmanship
The excessive display of temper, loss of self-control, use of obscene language or gestures will result in the athlete being removed from the contest by the coach, and may result in a suspension from the next interscholastic game. A subsequent offense may result in a referral to the Athletic Committee for disposition, and may result in suspension.

E. Theft
Any student/athlete who is found stealing will be removed from the team for the balance of that sport’s season to include at least 30 calendar days. Should the incident occur at the end of one season, the remaining suspension will be applied to the next season of participation. This includes all practices and games.

Stealing—Second offense
Suspended for the balance of the school year to include at least the next sport’s season and review by the Athletic Committee.

F. Transportation
Any athlete participating in a school-sponsored team must accompany that team to and from the event on school approved modes of transportation. Exception to this may be made only with prior notification with a parent note and approval by the Athletic Director. Only that player’s parents may transport the player.

G. Participation
Generally, athletes are not encouraged to participate in more than one sport at any given time. There are occasions when an athlete genuinely would like to change sports during a particular season. This may be done only if the following requirements are met:

1. The change must occur before the first contest of the season of both sports involved.
2. The change must be approved by both head coaches.
3. The change must be approved by the Athletic Director.

H. Equipment
All equipment purchased by the Jim Thorpe Area School District is property of the district. All equipment must be returned. Athletes will be billed for any missing equipment. The athlete will not be eligible to participate in other sports until the bill is paid or equipment is returned.

I. Individual Team Rules
Individual teams may have rules specific to the sport and athletes in those sports will be provided with a copy. Team rules will be on file in the Athletic Director’s Office. Violation of team rules will result in discipline by individual coaches.
Jim Thorpe Area High School

Project OLE (Olympian Learn Environment)

One-to-One Computer Initiative
Philosophy
Our primary mission for the Olympian One-to-One initiative is to transform teaching, learning, and assessment at Jim Thorpe Area High School. We believe that technology rich classrooms, when facilitated by properly prepared teachers, are the vehicles to achieve this goal.

Our goals are:
1. To “level the playing field” allowing equal access to technology for all our student population.
2. To increase academic rigor, better preparing students for post-secondary success.
3. To increase student engagement in our classrooms through the meaningful integration of technology in the daily curriculum.
4. To differentiate instruction in the classroom using technology to facilitate the classroom structure and when applicable instruction.

One specific technological tool that we want to readily accessible to students at both home and school is an Apple MacBook laptop. This document provides the necessary guidelines for our students to use the MacBook laptops as a powerful educational tool for 21st century

MacBook Guidelines
The Apple MacBook laptop and case are the property of the Jim Thorpe Area School District. Laptops will be assigned to high school students who are enrolled on a full-time basis and must be returned to the Jim Thorpe Area School District at the conclusion of each school year. The MacBook must be returned in original working condition. Damage not covered under insurance will be the responsibility of the student and/or parent.

The Apple Mac Book computers are educational tools and are to be used only in that capacity. The Jim Thorpe Area School District’s Acceptable Use Policy binds students using the laptops, regardless of location of usage. The policy is available through the school district web site (http://www.jimthorpesd.org.) The use of the laptop is a privilege that can be revoked upon violation of the Acceptable Use Policy. Inappropriate use or neglect of a MacBook, its case, the Internet, or any other installed software will result in the loss of use of the MacBook. Loss of the student laptop will not change classroom expectations and assignment completion.

Internet, Software, and E-mail Guidelines
The School Board Policy No. 815: Acceptable Use of Electronic Resources must be followed at all times. Students should have no expectation of privacy as related to the MacBook laptop and can expect teachers, technical support staff and administrators to conduct spot checks of their Internet history, logs and other records of usage. Inappropriate Web activity or email use may result in loss of MacBook privileges. If a student “accidentally” links to an inappropriate Web site, he/she should close the site, note the time and date of the incident and report it to the teacher. Students may not install or run software that has not been approved by administration.

All students will be issued a filtered district Gmail account along with a corresponding Google Drive account. Gmail email is to be used for school/academic purposes only and must be used in accordance with the School Board Policy No. 815: Acceptable Use of Electronic Resources. The district email is set up for school-related activities and should never be used for personal or business communication. The district-provided email account is not private and can be reviewed by building and district administration as well as school district and vendor support. Messages that are blocked by the content filter will be reviewed throughout the school day. Any non-academic email that is blocked by the content filter may be deleted and may not be delivered to the recipient.

General Rules
1. Students who forget to bring their laptop computer to school will not be provided with a loaner.
2. Students will carry their MacBook throughout the school day. Students are responsible for the MacBook at all times. The laptops are not to be left unattended, whether in or out of the case or in or
Laptops must be carried in the provided protective sleeve, or approved case, at all times. Do not carry the MacBook with the screen open.

3. Students are not authorized to use other student’s laptops. In addition, students are not permitted to allow others to access their laptop, including family members.

4. Students may not use the laptops on the bus, in the cafeteria during lunch, bathrooms or locker room facilities at any time.

5. If a student is unable to carry and supervise his/her laptop, the MacBook is to be locked in the individual student’s assigned locker. It is the student’s responsibility to notify the high school office if his/her school locker is not working properly.

6. Students involved in after school activities should keep their MacBook locked in the individual student’s regularly assigned locker if possible, or an assigned athletic locker.

7. Students must keep their passwords confidential.

8. Students are responsible for regularly backing up school documents on their Google Drive. Students are expected to keep all of their school files in their Google Drive. Failure to back up documents does not constitute an excuse for not turning work in on time.

9. Headphones are prohibited in class unless a faculty member grants permission.

10. Obscene language and/or inappropriate materials, including screensavers, desktop backgrounds and/or pictures are strictly prohibited. Inappropriate use of the MacBook camera is also strictly prohibited.

11. Students must follow all copyright laws. Familiarize yourself with School Board Policy No. 814- Copyright Material.

12. Downloading unauthorized games, applications or software by students is not permitted.

13. Downloading purchased music or music from a purchased CD is permitted (i.e. songs purchased online). Any personal information or material on the laptop computer is the sole responsibility of the student and should not interfere with laptop usage or schoolwork.

14. All software will be licensed, approved and installed by a District Computer Technician.

General Operating Guidelines
1. The MacBook must remain in the case when not in use.
2. Laptop computers must remain free of any writing, drawing, stickers, decals or labels that are not the property of the District. MacBook skins and covers are acceptable and can be useful to distinguish laptop computers from each other. Keyboard covers are also allowed.
3. Do not remove school identification or nametags on the MacBook or case.
4. Close the MacBook gently, push from the top center of the cover.
5. Do not place anything on the keyboard before closing the lid (i.e. pen, pencil, disks).
6. When closing and storing the laptop computer in the sleeve, put the computer in sleep mode or turn it off to prevent overheating.
7. Wrap the power cord properly. Place it in the power cord pouch attached to the laptop sleeve.
8. Be sure to familiarize yourself with the Charger Care, and MacBook Care Guide documents.
9. Do not eat or drink while using your laptop computer. Students prone to spills may wish to invest in a keyboard cover.
10. When using USB storage devices or connecting the power cord to the laptop computer, carefully remove and attach these devices.

Charging Guidelines
1. Enter school each day with a fully charged MacBook. Students will have the opportunity throughout the day to charge their MacBook in a few specified classrooms.
2. Failure to charge the laptop is equivalent to not being prepared for class.
Personal Data Storage Guidelines:
1. Work locally on your laptop computer and backup important school data (projects, papers, etc.) regularly to your Google Drive account. Responsibility to back up data is the student's responsibility and does not constitute an excuse for missed assignments.
2. There is no expectation of privacy for data stored on District equipment or the Jim Thorpe Area School District student Google Drive account.
3. Back-up important data from your laptop computer before turning it over for repairs or at the end of the school year or when requested by a school official. All data will be erased from laptop computers at the end of the school year.
4. Flash drives may be used as an external storage solution but should not be considered a replacement for Google Drive storage. The District will not provide individual flash drives to students.

Internet Usage Guidelines:
1. Do not visit inappropriate web sites or click on questionable links.
2. The use of proxies to bypass District filtering is not acceptable and violates School Board Policy No. 815: Acceptable Use Electronic Resources.
3. Use social networking sites appropriately. Keep the following in mind:
4. Be polite and courteous. Offensive language should be left out of social network posts and comments.
5. Do not post photographs or information that could embarrass you, your family or your friends. Once posted online, information is hard if not impossible to erase.
6. Do not post personal information such as address, cell phone number, class schedules or daily activities.
7. Potential employers, colleges and universities, graduate programs and scholarship committees search the Internet and social networking sites to screen applicants.

Cleaning Guidelines
1. Do NOT use water or other cleaning solutions on the MacBook.
2. Clean dirty screens with an anti-static cloth. Do not use tissues, paper towels or any other kinds of material that will scratch the laptop computer screen.
3. Students should bring MacBook to the building technician for proper cleaning.

Support Guidelines
1. Students are responsible for reporting any technical issues affecting the performance of the MacBook to a member of the technical staff or administration. This needs to occur in a timely manner to ensure loaner laptop availability.
2. Students with a technical issue should request assistance from the building computer technician by filling out a work ticket on the support website or by signing in at the computer technician office.
3. Students should not attempt any repairs on the MacBook themselves. All repairs are to be initiated by the building computer technician.

The District does not routinely monitor the District network for violations of school rules or District policies and is limited in its ability to monitor laptop computers for cyber bullying and other behavior violations. If students have reason to believe another student is using the District network or laptop computers in a manner that violates School Board Policy No. 815: Acceptable Use of Electronic Resources, please contact the principal or assistant principal.

Insurance Information
The District is self-insuring all MacBook computers. Parents may not substitute homeowner or other personal insurance for District laptop computer insurance. All students are required to pay the laptop insurance fee or have a waiver in order to take the laptop computer off campus. Students that do not pay the fee or have the
waiver are not permitted to remove the laptop computer from the school building. Students will be responsible for the premium and deductible for each insurance claim submitted according to the following schedule:

1. For students not participating in the Free & Reduced Lunch program, the premium cost is $50 per student, with a $50 deductible for damage and a $250 deductible for theft or loss.
2. For any student with a Reduced lunch rate as part of the Free & Reduced Lunch program, the premium cost is $25 per student, with a $50 deductible for damage and a $250 deductible for theft or loss.
3. For any student with a Free lunch rate as part of the Free & Reduced Lunch program, there will be no premium cost per student with a $50 deductible for damage and a $250 deductible for theft or loss.
4. There is a $100 cap for families with several children purchasing insurance.
5. The insurance premium payment or waiver must be completed each year.
6. The insurance premium is not refundable at the end of the year.

Students will not be covered by insurance beyond a third insurance claim. Intentional laptop damage, as determined by district staff, will not be covered. All payments will be collected through the Main Office of the High School.

Payment of the insurance premium is required prior to the issuance of the laptop computer. Parents/guardians/students must bring a check (cash is acceptable but not recommended) for $50 (payable to Jim Thorpe Area School District) to school. Credit card payments will be accepted. For families with more than one student in the same school, please use a separate payment for each student to pay the insurance premium. Uninsured laptop computers are not permitted to leave the school. Families may choose to pay the laptop computer insurance premium in three installments:

- August- $20 (with the return of Agreement Form)
- October- $15 (will be invoiced)

Progressive Discipline
The discipline process with Project OLE will be progressive in nature and be determined by the severity of the discipline. Low-level, first time infractions will receive smaller consequences than infractions that are repetitive or more serious in nature.

*** Discipline consequences may vary depending on the severity of the offense.
Computers owned by the JTASD are for educational purposes ONLY.

Cyber Bullying/Harassment
“Cyber bullying involves the use of information and communication technologies such as e-mail, cell phone instant messaging, defamatory personal Web sites, and defamatory online personal polling Websites, to support deliberate and hostile behavior by an individual or group that is intended to harm others.” -Bill Belsey, President of Bullying.org.

Cyber bullying is all forms of harassment over the Internet or other forms of electronic communications, including cell phones. Students and staff will refrain from using communication devices or District property to harass or stalk another. JTASD’s computer network and the Internet, whether accessed at school or away from school, during or after school hours, may not be used for the purpose of cyber bullying. All forms of cyberbullying are unacceptable and viewed as a violation of this policy and the District’s acceptable computer use policy and procedures. In addition, Pennsylvania Act 26 considers cyber bullying a misdemeanor of the third degree.

Students and community members, who believe they have been the victims of such misuses of technology, as described in this policy, should not erase the offending material from the system. A copy of the material should be brought to the attention of a principal or teacher.

The administration shall fully investigate all reports of cyber bullying.

In situations in which cyber bullying originated from a non-school computer, but brought to the attention of school officials, any disciplinary action shall be based upon whether the conduct is determined to be severely disruptive of the education process so that it markedly interrupts or severely impedes the day-to-day operation of a school. In addition, such conduct must also violate a school policy. Such conduct includes, but is not limited to, threats, or making a threat off school grounds, to harm a member of the school staff or a student.

Malicious use of the District’s computer system to develop programs or to institute practices that harass other users to gain unauthorized access to any entity on the system and/or damage the components of an entity on the network is prohibited.

Disciplinary action may include, but is not limited to, the loss of computer privileges, suspension, or expulsion for verified perpetrators of cyberbullying. Discipline for cyberbullying will be handled on a case by case basis. In addition, when any kind of threat is communicated or when a hate crime is committed, it shall be reported to local law officials.
