

Welcome Back!

August 3, 2021

Dear Jim Thorpe Area School District Families,

For nearly 50 years, we've provided high quality, healthy and delicious food. This year will be no different, only those meals are available at **zero cost to you**. Your support for more meals served means more funding and resources available for your school district to help sustain your school's food service program. Together we can ensure that all kids in our community have access to the same healthy, nutritious meals!

- Snacks will be Available daily for purchase
- Birthday celebrations treats available for purchase
- Students will be back in cafeteria for lunch
- Breakfast will be served daily.
- USDA wavier for free lunch has been extended thru-out the 21-22 school. However it is still encouraged to fill out application for free and reduced meals. It can be found at

We're so excited to welcome you back in the 2021/2022 school year! As always, our goal is to provide high-quality, nutritious, healthy, and well-balanced meals to all students. We've certainly missed everyone's smiling faces! Please do not hesitate to reach out to me with any questions, concerns, or feedback.
